CPSC Certificate

Many of our products are required to be certified by the U.S. Consumer Product Safety Commission. This commission works to protect the public from unreasonable risks of serious injury or death from different types of consumer products. You can search for a product and download its CPSC Certificate or Certificate of Exemption by visiting the link below. Not all products are required to have a certificate.

<http://www.americanapparel.net/wholesaleresources/CPSC/>

-You will find the track number sewn behind the tag located on the back of some of our garments. Not all of our products have a track number. In this case you should search by style number.

-If your search returns no results after searching with color and size, please omit these options and search by only track number and/or style number. Not all certificates require a color and size.

Thank you for your Business,
American Apparel
